

2023 REQUEST FOR QUALIFICATION

FREQUENTLY ASKED QUESTIONS

1. I have previously submitted a consultant RFQ for First 5. I do not remember if it was in March of 2022 or earlier. Please let me know if I am already on the list.

The complete list of qualified applicants from 2022 can be found at https://first5oc.org/wp-content/uploads/2023/02/Item-7-Attachment-1_Roster-of-Qualified-Applicants-FINAL.pdf

2. I have expertise in organizational and professional development. Is that suffice to apply or do I also need to be a subject matter expert?

Organizational and Professional Development is a subject matter under Organizational Support. You can submit specifically for Organizational and Professional Development without submitting for any other subject matter area.

3. "Language Translation" as a subject matter is omitted from Pg. 12

The RFQ document posted to the First 5 OC website has been revised to properly include Language Translation on the page 12 listing of subject matter areas.
