

CA COST OF CHILD CARE ANAHEIM INPUT SESSIONS

The California Department of Social Services and Prenatal to Five Fiscal Strategies is seeking input from early care and education providers, including child care and development centers, family child care homes, tribal programs, and license-exempt family, friend, or neighbor care providers on the cost of child care to help inform child care subsidy payment rates.

Join Prenatal to Five Fiscal Strategies for in-person Input Sessions in Anaheim to share your experience delivering early care and education services. Questions will focus on program operations and expenses to set child care subsidy payment rates informed by the cost of care – rather than market rates.

WHERE: Anaheim, CA

WHEN: July 12, 2023

REGISTRATION IS REQUIRED!

(the content is the same in each session, so you only need to attend one)
